ARE YOU ADVERTISING IN THE DIRECTORY? ? ?

IF NOT—WHY NOT?

THE POST OFFICE GLASGOW DIRECTORY is an indispensable book of reference, particularly for commercial and professional people in the city. It is also a valuable guide for tradesmen and private citizens because of the comprehensive character of its contents. It is over a century since this ever-increasing compendium was established as an index to the personnel in the social, business, religious, and philanthropic life of the city. Business and commercial people in particular would be severely handicapped if they had not at their disposal the varied and accurate information it contains. It thus readily meets the eyes of purchasers of all classes of goods, and in consequence as an advertising medium is "SECOND TO NONE."

JOHN RUSKIN

said

"There is hardly anything in the world that some man cannot make a little worse and sell a little cheaper, and those who consider price only are this man's lawful prey."

Few kinds of work offer so many opportunities for shoddy material and scamped workmanship as Electrical Installations.

For nearly 20 years the name "Edmiston Brown" on an electrical installation has stood for SAFETY and PEACE OF MIND.

Service means, to us, giving the kind of treatment we like to get. It has paid us. It would pay you to let us do your electrical work.

HIGH GRADE ELECTRICAL INSTALLATIONS

by

Edmiston, Brown

have been carried out all over the country — from London to Aberdeen, in factories, public buildings, quarries, foundries and paper mills.

No matter the size of the contract if you entrust it to us you will get the Edmiston Brown standard — which means freedom from trouble.

ARE YOU ADVERTISING IN THE DIRECTORY? ? ?

IF NOT—WHY NOT?

THE POST OFFICE GLASGOW DIRECTORY is an indispensable book of reference, particularly for commercial and professional people in the city. It is also a valuable guide for tradesmen and private citizens because of the comprehensive character of its contents. It is over a century since this ever-increasing compendium was established as an index to the personnel in the social, business, religious, and philanthropic life of the city. Business and commercial people in particular would be severely handicapped if they had not at their disposal the varied and accurate information it contains. It thus readily meets the eyes of purchasers of all classes of goods, and in consequence as an advertising medium is "SECOND TO NONE."
